CV Lions Club has gone dark for the warm summer months but will return in September!

Installation Dinner Meeting

Our Installation Dinner meeting was held at the Jackalope Ranch Restaurant on May 23, 2017. Those in attendance enjoyed a wonderful dinner in a lovely private dining room setting. Members had dinner choices of 1/2 Rack Baby Back Ribs, Sliced Tri Tip or 1/2 BBQ Chicken, each dinner was paired with either fries, coleslaw or salad and of course, topped off with dessert!

America!**

Coachella Valley Lions Annual Charitable Event May 16, 2017

Our Charitable gifting event was a very proud moment for our small but mighty Club with \$12,700.00 provided to those designated agencies or programs determined to have a need and meet the vision of the CV Lions Club. Each agency in attendance shared the great work that they do for the youth, veterans, enlisted military men and women, and the programs that promote our heritage and support the welfare of members of our community. Our Lions Club Legacy Project at the Coachella Valley Historical Museum, will be to provide planters and a bench in the promenade renovation project under way at the museum. The CV Lions Club will be promoted through plaques attached to the donated items. During the Date Festival, we will continue our commitment to the community through support to the Queen and Court as well as the youth animal auction. Thank you to all our members for making this possible! Without your dedication and support this would not have happened for so many deserving agencies.

Just some fun photos from our fundraising events, preparations for events and/or breakdown not previously shared...

Whether we are planning, prepping, doing or breaking down from an event there is always awesome memories made and bonding among our Lions. No matter what happens, good or bad, in the end we are a stronger club for the work we have done together!

2016-2017, is a year we can be proud of!
