Our MD4-L5 District Governor and his cabinet visited our club on November 13th. DG Bill Hannon provided our members with great information on the health of Lions Clubs International and how to promote our Club. One idea many clubs are using is to sponsor a Cub Program for children 8-10 years of age. He recommended this as the parents also need to be a member for their child to participate. There are several project ideas to include the youth on the LCI website.

President Harry has broken his gavel, Oh, so sad... However, a great leader doesn't need a gavel! They simply need people on their team who are problem-solvers and provide the spoon to make things happen.

Ron Charleston, 1st Vice Governor, shared information on growing leadership within our club. He announced the MD Leadership Conference is March 23-25th in Rancho Cucamonga and urges participation. In a small club as ours we all play a critical role to it's success. If you are interested in attending in order to develop as a leader, please let Harry know so you can be signed up.

Dr. George Charity Car Show

Did you know that our CV Lions Club will have the distinct honor of sponsoring the collectible dashboard placards given to each of the participating car owners? The placard has our Lions Club logo as well as our club name and website. Talk about great ways to get our name out to the community...

The car show is on February 9th and **everyone's help** is needed for this event to be successful. The trailer clean-up and prep will be the weekend of January 26 & 27th at the Miller home 41-870 Yucca Lane in Bermuda Dunes from 8a to 1p. Please bring your favorite gloves, brush and happy attitude to help make our trailers sparkle. On the day of the event we start very early as we are there to offer hot coffee and a lion sized pancake breakfast for those hungry car owners. We will need workers all day from selling, cooking and cleaning up. Please let us know when you will be able to work. If we haven't seen you in a while this would be a great time for you to come and help us. We are a small and mighty club but we have to have help from everyone. If you have a loved one or friend who can help us please bring them along.

CAM Fest 2018

Thanks to all who worked their hearts out to make CAM Fest a successful event. Without a doubt the club members worked hard cleaning before, setting up, shopping, meeting, prepping, cooking and cleaning up again. Our profits were split with AHEPA, our partners in this event. Members have already begun to discuss ways to make this better for next year. It is clear this is an event which will provide us with lots of opportunity to serve the youth of our community and help them to see Lionism in action, and service is worthy.

Lion Jim Flynn is Recognized

Congratulations to Jim Flynn for the wonderful honor of Lion membership of 50 years! Lion Jim is truly a valued member and leader of our club. He is one of the quietest of the group but makes the biggest difference in the success of our club. We are proud of all he does as Treasurer and the man behind the scenes insuring we are balanced and solvent. THANK YOU, Lion Jim!

Holiday Fun

What a great holiday party we had on December 23rd! We had a wonderful meal of "cooked to perfection" prime rib with excellent side dishes brought by our members. There was lots of laughter, fellowshiping, and of course, thievery going on during our gift exchange. Lots of fun was had by all who came. *THANK YOU, Millers for hosting!*
